How to earn the \$50 semester savings match

Each year from birth to 8th grade, your student can earn one **\$50** savings match for making deposits in both fall semester and spring semester. If, by the last day of each semester, you show proof of having deposited at least **\$20** into your student's Indiana529 Direct account between the first and last day of both fall and spring semesters, a \$50 savings match will be deposited into your student's Imagine Early Scholarship Fund. Deposits can be made online from your bank account (see instructions below), or you can mail a check to Indiana529 Direct Savings Plan, PO Box 219418, Kansas City, MO 64121. Write the child's 529 number on the check memo line. The deposits you make to your 529 account are eligible for the 20% Indiana tax credit the following year (up to \$1500). **Every deposit brightens the future!**
