To access your Follow Up Forms, log in to the online scholarship portal, locate the Follow Up Forms under **Assigned to You**, then click the blue **Start** button for the Follow Up you want to complete first.

Both forms will ask you for the following information:

- College email address
- College Attending
- College Student ID
- Tuition Bill Upload (an official bill, not a statement) - *Please upload the bill and complete the Follow Up even if there is no outstanding tuition balance.*
- Thank you note
- Signature

Submit the first Follow Up and click **Continue**. To complete the second follow up click the green **home** button at the top of the page to return to your dashboard.

The form you completed will now be view-only. Complete the second Follow Up by clicking the blue **Start** button.

Please let us know if you have decided to delay your enrollment or will be starting your program in the spring semester. Students who do not claim their scholarships or arrange to delay them by December 31st, 2026 will forfeit scholarships.

If you wish to edit your account information or change your password, click your name on the top right of the page. This will expand a drop-down menu. If you click [Edit my Profile](#), you will be able to update your user information or change your password. Be sure to click save in the bottom right once you have finished.

You will be automatically logged out of the system after 90 minutes of inactivity. (You will receive a warning message at 80 minutes of the pending "time out.")
